

Kiev, Ukraine, January 1st 2014

“TiSO Production” is glad to announce the establishment of an official and an exclusive representative office in Asia Pacific region, called “TiSO APAC” with the head office based in Singapore. “TiSO APAC” consists of a team of highly qualified experts in a field of access control systems with the main aims of high quality service, realization of the most effective and cost-efficient solutions for our clients.

Therefore, due to permanent representative office in Asia Pacific region you can easily purchase turnstiles and road-blocking systems at a bargain price! Moreover, we guarantee you qualified and prompt warranty and post warranty support.

Also, while contacting to any of our companies (“TiSO Production”, “TiSO APAC”, “Security-Turnstiles”), you can be sure that you will be redirected to the office nearest to you, to give you the best terms for cooperation.
